Minimum Premium \$500.00

Any liabilities in excess of \$100,000,000.00 require pricing approval from Chicago Title Insurance Company or Commonwealth Land Title Insurance Company (the Underwriter.)

Simultaneous Issue of Owner's and Loan Policies

When an owner's policy and loan policy are simultaneously issued, the premium rate for the owner's policy shall be the original premium rate for an owner's policy and the rate for the loan coverage shall be \$100.00 for the amount of the mortgage coverage not in excess of the owner's policy. The premium on the amount of the mortgage coverage exceeding the owner's policy is calculated at the regular original premium rates in the applicable brackets. The owner's policy shall be issued for the full value of the property.

Simultaneous Issue of Owner's and Leasehold Policies

When an owner's policy and leasehold policy are simultaneously issued, the original owner's premium rate shall apply to the policy in the larger amount and the premium on the policy in the smaller amount shall be calculated at 30% of the original owner's premium rates.

Reissue Rate

A purchaser of a commercial title policy (lender or owners) shall be entitled to a ten percent (10%) reduction in the rates as a reissue rate if the real property to be insured is identical to, or is part of, real property insured less than 10 years immediately prior to the date the insured transaction closes.

Extension or Modification of an Insured Loan

A loan policy covering a mortgage, which was previously insured and is still in effect, may be endorsed if said mortgage is amended by a modification or extension agreement. If the policy to be endorsed is less than ten years old, then the charge will be fifty percent (50%) of the applicable rate based on the unpaid principle balance of the mortgage. If the policy to be endorsed is between ten and twenty years old, then the charge will be seventy percent (70%) of the applicable rate based on the unpaid principle balance of the mortgage. If the policy to be endorsed is more than twenty years old, then the charge will be one hundred percent (100%) of the applicable rate based on the unpaid principal balance of the mortgage.

Endorsements

Endorsements to furnish additional coverage may be issued. Premium charges for such coverage will be determined by the Underwriter commensurate with the risk by the issuance of such endorsement. Please contact the Underwriter for rates on endorsements. Additionally, if premium bearing endorsements are issued, you must remit your percentage split based on the total premium charged for such endorsements.

Agent Reporting of Title Policies and Premium

In accordance with the Georgia Department of Insurance instructions, please be advised that you must remit your percentage split based upon the total title insurance premium paid by the customer. The Underwriter must pay premium tax on the portion retained by the agent, as well as the premium received by the Underwriter. Penalties may be imposed by the Georgia DOI for inaccurate reporting of the premium by agent.

In addition, these published rates are the rates that you are required to charge and on which your remittances must be made in accordance with O.C.G.A. 33-6-5 (6)(B)(i).
